## Parent Homework!

**Worth 25 bonus dojo points when completed! Parents: you have 10 assignments due ASAP!!!!**

- Phone number and email
- Blue registration card
- Behavior management contract
- Parent/student compact form
- Inclement weather/emergency dismissal form
- Parental consent form
- Internet use form
- Code of conduct/receipt of handbook form
- Parent occupational survey form
- Handbook signature page form

We are beginning to use class dojo. Class Dojo is an easy way to track your child's behavior. Incentive points are given for exhibiting positive behaviors like staying on task, helping others, and following directions the first time. Points may be deducted as well for being disrespectful, getting off task, or not following directions the first time. When parents sign up on class dojo, you can track your child's behavior. Parents: students must accumulate 10 points a day, or 50 points a week to be able to participate in a fun Friday activity. Encourage your student to collect as many positive points as they can!!

We need your email and phone number to easily communicate fourth grade updates with you. Behavior management contract for fourth grade will be coming home shortly. We will need you AND your child to sign and adhere to the contract.

If you have already purchased your child's school supplies based on the list that was mailed out this summer... no worries! These are the same supplies we are just providing a reminder that the supplies are still needed!

Dear Families,

Welcome to 4th grade! Hopefully you all had a refreshing summer and are ready to immerse yourselves into our fourth grade adventure! This is a wonderful grade to teach and we are very pleased to be your child's teachers. We have 52 bright and energetic students in our class this year. The beginning of school is an exciting time for our children. It means making new friends, taking part in activities, and learning new skills.

Together we have a common goal – to help your child be a successful, well-adjusted learner. As a parent, you know the most about your child. We look to you to help us create a safe and supportive learning environment for your child. Fourth grade is an important year of transition and growth. The curriculum is exciting and we look forward to a wonderful year working together, with you and your children.
